Michaelian & Kohlberg

Despite its name, abstract **Siam** taps into the Western tradition of patchwork quilts. The rug is part of Teddy Sumner's American Primitive collection, comprising 15 hand-spun patterns that feature hand-carded wool and natural dyes. Available in both standard and custom sizes. 225 East 59th Street, New York, NY 10022; 212-431-9009; michaelian.com. **circle 359**

Marazzi Group

Forest Impressions porcelain tiles take their tonal cues from leaves, ferns, and lichen. Dappling and speckling lend a natural feel to Forest Green, paired with a steel border. Other color options are Forest Beige and Forest Noce. 359 Clay Road, Sunnyvale, TX 75182; 972-232-3801; marazzitile.com. **circle 361**

F.J. Hakimian

Like patio tiles faded from years of sun, this addition to the Custom Carpet collection is dominated by variegated greens. **Helix-Celadon** boasts a Swedish pile and flat-weave construction, with wool woven on a cotton foundation. The design is made to measure. 136 East 57th Street, 2nd Floor, New York, NY 10022; 212-371-6900; fjhakimian.com. **circle 360**

Van Der Hurd Studio

Asian simplicity and an updated naturalism join forces in **Twigs**, with its pale salmon ground. The wool carpet is manufactured in India and offered in two constructions: all cut pile and a combination of cut pile and flat weave. 260 Fifth Avenue, Suite 11, New York, NY 10001; 212-213-6541; vanderhurdstudio.com. **circle 362**
